

Competitive Troupe

Auditions

2020-2021

Dancers who belong to a competitive troupe are required to participate in at least 2 classes per week: a technique class and a routine class.

** Some teams may be required to take an additional ballet class or continue in a recreational class on top of their competitive troupe classes. Increasing the number of hours of instruction per week results in higher monthly fees and less time for other activities. These are factors which should be seriously considered when making this decision.*

** Dancers auditioning must have training in Tap, Jazz, Lyrical & Hip Hop. If you do not meet this criteria, please speak with The Studio director.*
